QUALIFICATIONS

QUALIFICATION SUMMARY

An ambitious problem solver with a passion for online businesses, and who would like to join a team of like-minded developers. I have much experience of creating logical and innovative solutions to complex problems. Am thorough and precise in everything I do, and I have keen interest in web development (front-end and backend development) and user experience (ui/ux design). As someone who takes responsibility for own personal development, who has proven himself by successfully completing projects for IT consultancies, web design agencies, and IT departments.

Right now, am looking for a suitable position with a company where outstanding performance is recognized and where I can work on a variety of high-profile projects.

KEY SKILLS

✓ HTML	✓ Bootstrap & Tailwind	✓ GitHub and Sit Deployments
✓ CSS & SASS	✓ JavaScript & TypeScript	✓ Node.js
✓ React (Next.js)	✓ Mango Db	✓ Search Engine Optimization
✓ UI/UX Design	✓ Microsoft Excel	✓ PHP & MySQL (frameworks)
